

“The Veterans Success Center has given me the tools for success, both academically and socially. Here, I have convenient access to resources to help achieve my goals and earn my degree.”

— Edgar E. Garcia '18
U.S. Marine Corps, veteran

UC DAVIS

MILITARY AFFILIATES

AT UC DAVIS

Current and former members of the U.S. military and their dependents have a place at UC Davis. Active duty, reserve, National Guard and any other military connection entitles you to the benefits and recognition due to all those who have served our country.

The Veterans Success Center (VSC) at UC Davis provides our military affiliates with a welcoming place where we understand the difference between civilian and military life. This is where our community comes together—where staff who understand service to country are now serving to help other affiliates find success in new arenas. The VSC can connect you with GI Bill benefits, CalVet fee waivers, disability services and academic resources or connect you with any of the many student services available on campus.

As a public land-grant institution, UC Davis is proud to help you earn your four-year degree.

“As a U.S. Army retiree, it is with great honor that I was able to have a hand in the launch of our Veterans Success Center. The services and welcoming environment here give our military affiliates a community in which they can thrive.”

— Earl Raehsler, Veterans Success Center Coordinator
U.S. Army, retired

THE VETERANS SUCCESS CENTER PROVIDES THE FOLLOWING SERVICES FOR UC DAVIS VETERANS, SERVICE MEMBERS AND MILITARY DEPENDENTS:

- Academic advising
- Tutoring, workshops and transitional courses
- Connections to campus resources and support groups
- Certification for federal and state educational benefits
- Lounge and quiet study space with computers and a printer

ABOUT UC DAVIS

Located near Sacramento, California's state capital, Davis is a student-friendly, safe and welcoming city where students make up about half of the population. Our central location between the ocean, mountains and urban areas like San Francisco, mean that plenty of social and research opportunities await you. And with professional schools in business, education, law, medicine, nursing and veterinary medicine, you'll benefit from internships, special programs and real-world experiences.
